Instructions for Question No. 14 to 16 :

Mahatma Gandhi was one of the greatest leaders of the world. Other leaders win wars by hurting others and killing them. Mahatma Gandhi did not use any arms and weapons like guns, rifles or bombs. And yet, he won the war of India's independence. People lovingly called him 'Bapu' or Bapuji – Father of the Nation.

Gandhiji was a man of iron will. If he decided to do something, he did it, no matter how difficult it was. One day, he decided that he would have an early morning prayer every day. From that day onwards, he never missed the prayer.

Gandhiji gave a lot of importance to truth, simplicity and non-violence, that is, not hurting others. Gandhiji's dress was very simple – just a loincloth, a *dhoti* worn above the knees, and sometimes a shawl.
